Dear Ms. Lowder:

In a letter dated April 20, 2017, the Council notified CSI of its decision to withdraw the institution's grant of accreditation by way of suspension. The institution was provided the right to appeal this decision to the Review Board in accordance with Section 2-3-600 of the *Accreditation Criteria*. To exercise its appeal, the institution was to provide a notice of appeal and the hearing fee to the Council within 10 business days of receipt of the referenced notification letter. The institution failed to satisfy those requirements, and therefore, the institution's accreditation has been withdrawn by suspension, the final action taken by this agency, effective May 8, 2017.

Sincerely,

Roger J. Williams  
Interim President
