Subject: Continue Campus-Level Student Achievement Show-Cause Directive

CHARTER COLLEGE, ANCHORAGE, AK

ID CODE 00010858(BC)

Dear Ms. Freedman:

At its August 2017 meeting, the Council considered the institution's response to its above branch campus's non-compliance with the placement student achievement standard outlined in the Council's continued student achievement show-cause directive letter, issued May 8, 2017.

Following its review of the requested information related to this area of non-compliance, the Council acted to **continue the show-cause directive, pending review of the 2017 Campus Accountability Report (CAR)**. The branch campus's official 2017 CAR submission will be reviewed by the Council during the December 2017 meeting, and the Council will take action in accordance with the procedures outlined in Appendix L of the *Accreditation Criteria*. The campus' submission must include documentation sent to reporting@acics.org by **November 3, 2017**, to support all graduates classified as not available for placement. The Council reminds the institution that all placements reported on the 2017 CAR must have been verified by the ACICS Placement Verification Program.

The institution's heightened focus and efforts responsive to the Council's concern for its student achievement results are essential for a favorable outcome for both the institution and its students. If you have any questions about this action, please contact Ms. Katie Morrison at (202) 336-6783 or kmorrison@acics.org.

Sincerely,

Michelle Edwards
President

Ms. Candice Freedman
